Dear Buddette,

How's it goin up in Cali'? Things are pretty cool here I've got a lot to tell you. First the guy that Kristina is going uot with was expelled from school for having and maybe even doing speed. Second Kristina was offered cocaine. And Might have to go to court to get the sleaze that did it. But she is scared because the kid that offerd her some works for a big daeler that probably would want to kill her if she told Third there was a kid at school today that got caught trying to hide a rael grenade that was almost ready to go off. The bomb sqaud even came but th ey siad it was a dud anyway. Fourth I got a V.C.R. for my room and I'm allowed to rent any movie I want!! I'm also going to get cable in my room that means everything like pornos and all those good educatoinal shows like that. Now lets get down to business last night was Halloween and I got in to five fights and won em' all!! The first one was with this fifth grader that tryed to steal my bag full of candy see he ran up and grabbed for my bag and all ~~gthw-~~ the candy spilled. I said asshole! and he goes man shut up before I kick your butt! So I went over to him and pushed him and said I'd like to see ya' try bitch! So he swung at me and I ducked and socked him as hare as I could with my right hand. He hit the ~~fl~~ ground like a ton of bricks and went away crying while I ~~pe~~ picked up his bag and ~~emptie~~ and put all his candy in mybag bag! The second fight was with this kid that wanted and thought he could beat me up. He was in sixth grade.
